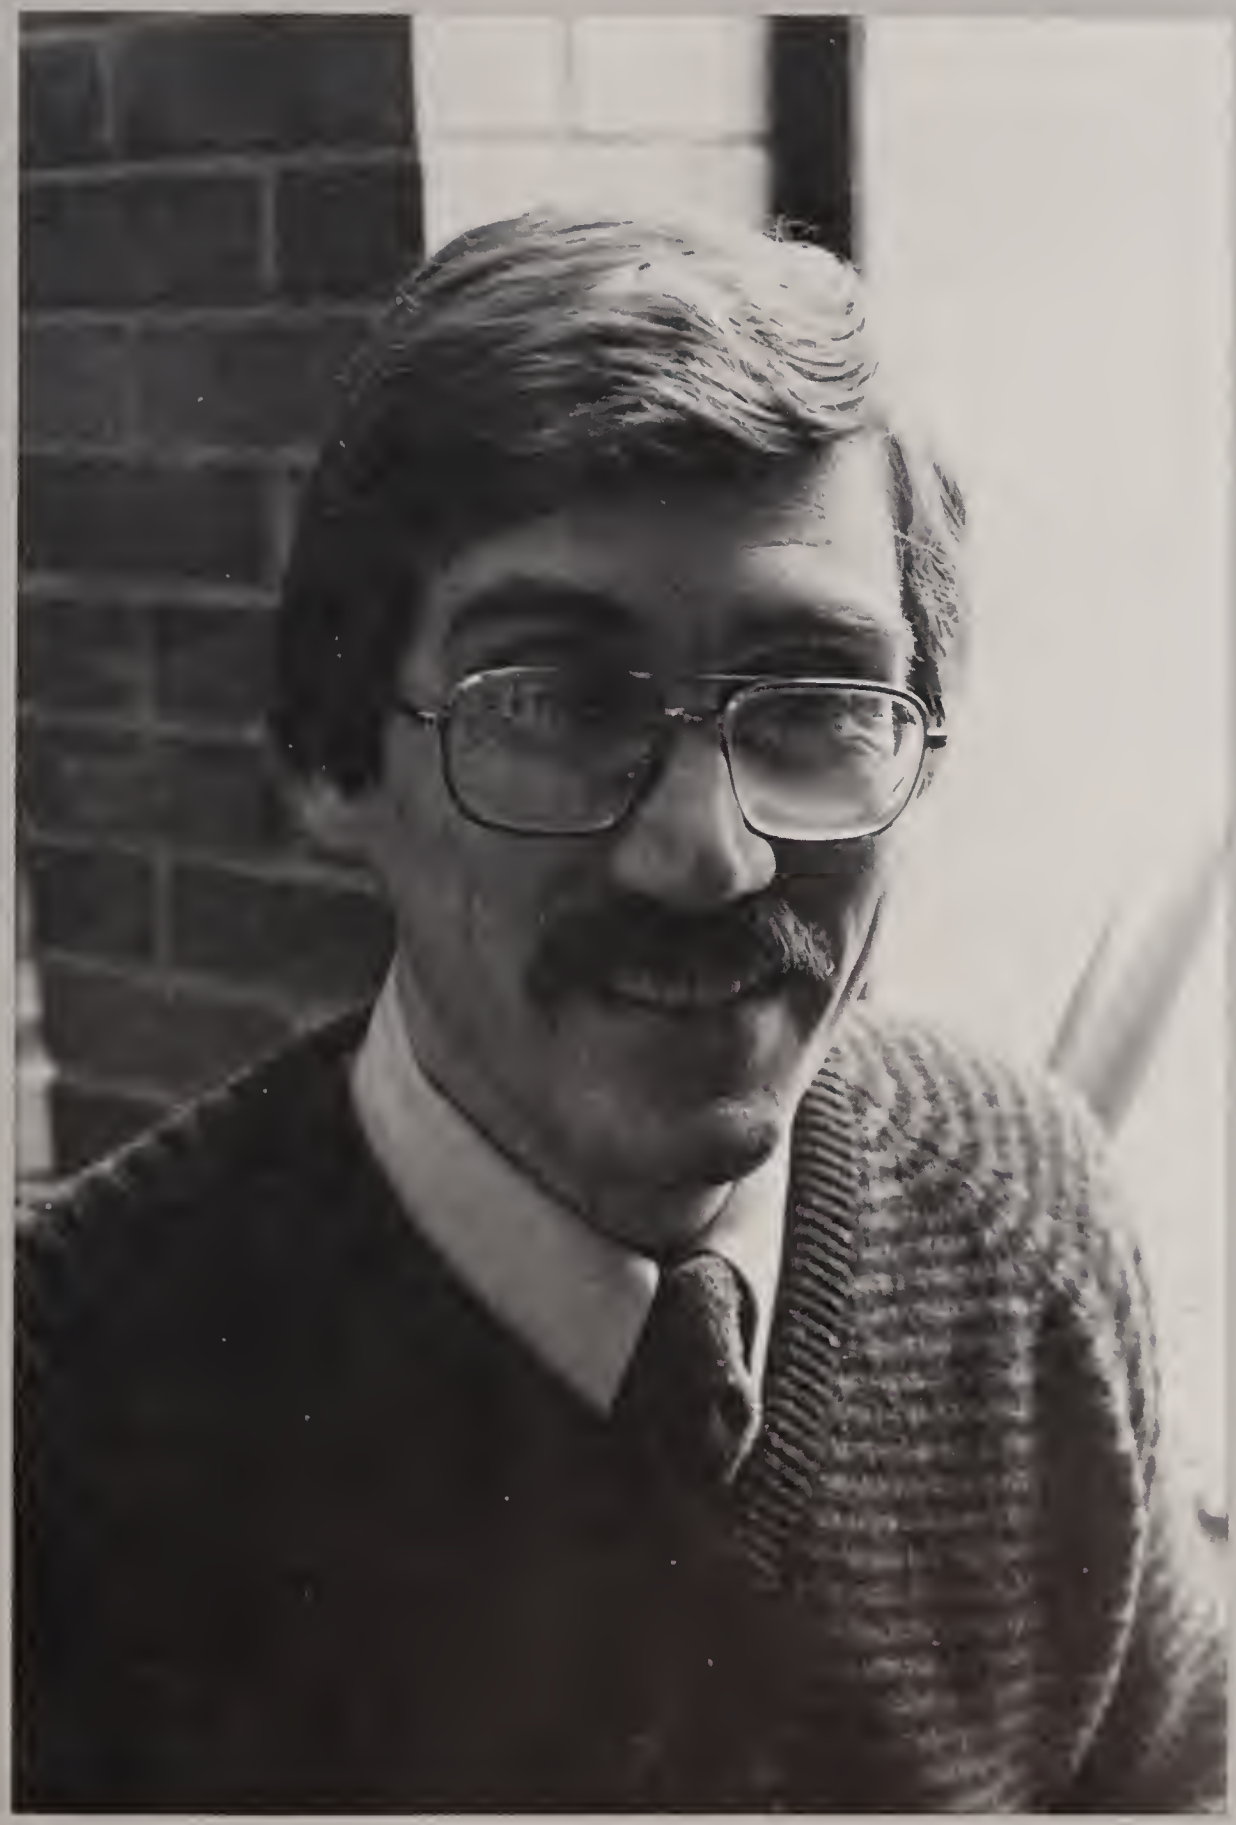
Dedication



Joseph Verovsek

What we'd like to do if we could is recognize Joseph Verovsek for his excellence in the roles of both teacher and friend. Over our four short years together he has exemplified the link between successful teaching and learning through his concern for the individual needs of each of his students. Whether he comes in dressed as Karl Marx or Hitler, or is simply giving one of his famous lectures, we have all enjoyed his unique style. The Class of 1982 proudly dedicates our yearbook to Joe Verovsek, a teacher we will miss and remember.

Recognitions

Cecile Sullivan

This is a special place for a special person. We, the Class of 1982, would like to recognize Cecile Sullivan for her work as the school nurse. She was always there when we needed an aspirin, a shoulder to cry on, or just someone to talk to. We hope that she will miss us as much as we will miss her.

John Williams

John Williams has proved over and over again that the mark of a good teacher is his rapport with his students. He treats us all as equals, and shares our healthy disrespect for authority. Best of all, he has flexible due dates. We would like to thank John Williams for his contribution to our lives.

SENIORS

Kevin Holmes

Class of 1982
1964-1979

In the two years that I was fortunate enough to know Kevin, I had nothing but respect for him. Kevin and I had spent a lot of time together doing things, and in the short time that I knew him I'd have to say truthfully that he was a dedicated, independent and determined kid. When Kevin set a goal for himself he would almost always reach it with hard work and determination. Kevin would pace his disadvantages and defeat them with his great determination and his loyal dedication.

I feel Kevin really demonstrated these qualities in athletics and also in the classroom. I will always recall the times Kevin and I would train together. I saw Kevin meet each challenge with a positive approach. He would usually accomplish his goals with dedication and hard work.

I'm truly thankful to Kevin for inspiring me to reach the top of my game. Kevin knew how to live, and taught me a few things in life that I'm grateful for. He will always be an inspiration to me in my lifetime. He was an all-around solid kid, he had the determination and the brains to make it in life. He was always honest and truthful and was always willing to help to the best of his capabilities. Kevin Holmes was a kid with a future and should inspire us all in reaching our goals in life.

I can say very sincerely that I will always remember proudly that Kevin Holmes was my friend.

Excerpts from a tribute written by classmate Peter Choras

Thomas "Tucky" Gee

Class of 1982
1964-1981

Next to the encounter of death in our own bodies,
the most touching calamity is the death of a friend.

Yet this affliction, which by nature is grievous,
is by virtue and providence made not unlovely.

He that lost a friend has more cause of joy that he once had him,
than of grief that he is taken away.

The comfort of having a friend may be taken away,
but not that of having had one.

Let us therefore make the best of our friends, while we have them,
for how long we shall keep them is uncertain.

And let us not bury our friendship with our friends.

We do not mourn the absent; why then the dead,
who are effectually no other?

For they are not gone, but are sent before.

Seneca

SENIOR CLASS ADVISORS

Throughout our years at Weston High, from our sixty-three cent loss in our First Annual Road Race Freshman year, to our lucrative Road Race Senior year and from our exotic Evening in the Orient to our very educational (?) notebook venture, you have always been there to guide us. You enabled our class to make the first Senior Banquet very successful and our Variety Show one of the most spectacular in years. Beverly Brown and James Hartmann, for these as well as the countless other times when you came to our rescue, we thank you and we miss you.

If you can keep your head when all about you are loosing
theirs, and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting, too;
And yet don't look too good nor talk too wise:
If you can meet with triumph and disaster,
And treat those two imposters just the same;
If you can talk with crowds and keep your virtue,
Or walk with kings — nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute with sixty
seconds worth of distance run,
Yours is the Earth and everything that's in it,
And — which is more — you'll be a Man, my Son!

This is the time in life that I am living,
And I'll face each day with a smile,
For the time that I've been given is such a little while
And the things that I must do consist of more than styles;
There are places that I am going.
This is the only thing that I am sure of,
And that's all that lives is gonna die.
And there will always be some people here to wonder why,
And for every happy hello there will be a good-bye;
There'll be time for you to put yourself on.
Everything I've seen is rearranging,
And for anyone who thinks it's strange,
Then you should be the first to want to make this change.
And for everyone who thinks that life is just a game,
Do you like the part you're playing?

And this I believe: that the free, exploring mind of the individual human is not the most valuable thing in the world. And this I would fight for: the freedom of the mind to take any direction it wishes, undirected. And this I must fight against: any idea, religion, or government which limits or destroys the individual. This is what I am and what I am about. I can understand why a system built on a pattern must try to destroy the free mind, for this is one thing which can by inspection destroy such a system. Surely I can understand this, and I hate it and I will fight against it to preserve the one thing that separates us from the uncreative beasts. If the glory can be killed, we are lost.

If you don't like the scene you're in, if you're unhappy, if you're lonely, if you don't feel that things are happening, change your scene. Paint a new backdrop. Surround yourself with new actors. Write a new play. And if it's not a good play, get the hell off the stage and write another one.

Sea Fever

I must go down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by.
And the wheel's kick and the wind's song and the white sail shaking,
And a grey mist on the sea's face and a grey dawn breaking.
I must go down to the seas again, for the call of the running tide,
Is a wild call and a clear call that may not be denied;
And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume and the sea-gulls crying.

About the little chambers of my heart
Friends have been coming — going — many a year.
The doors stand open there.
Some, lightly stepping, enter; some depart.

Freely they come and freely they go, at will.
The walls give back their laughter; all day long
They fill the house with song.
One door alone is shut, one chamber still.

FLEET FEET

Weston's Cross Country team, in a rebuilding year, had a fairly successful "500" season. We had a lot of promising underclassmen running and are optimistic about next season. Stability and example for the younger runners were provided by Captain John Sangioło, along with Ed Walker and Charlie Skakłe. John Sangioło was awarded the team "Unsung Hero" award, and Junior Chris Minervino was given the teams "Most Valuable Player" award. Chris was named to the Dual County League All Star Team. At the coaches meet in Boston, Freshmen Richard Manning and Steve Minervino along with Sophomore Chris Vitello all finished high in their respective races.

NO TREAT FOR FEET

The Weston Girls' Cross Country Team, in its second year of existence, suffered from a shortage of numbers but not of enthusiasm as the seven-member team ran to a 3-3 record. The team was led by Captain Mary-Ann Lynch who finished 8th in the Dual County All-League Meet. The Wildcats obviously like their home course, as they won all three home meets while dropping all three away meets. Why? To quote Erin DeChristopher, "I hate hills!"

HOT STICKS

The girls reported to practice a week before school started — played a couple of scrimmages to work lines together in competition and to help select players. We started our 14 game season brilliantly, defeating all of the league teams the first time around. Plagued with injuries and sore muscles, we began to run into difficulty and had three consecutive ties. Finally, against Newton South, we got into the win column again.

The remainder of the season was tense. We were trying desperately and successfully to hang onto our league lead which we had established early in the season. As the ties continued, we were hanging on to the Title by half a point. But we lost our last game to Wayland, 0-1, to lose the league title.

The team qualified for States and lost in the first round. It was a hard fought, well played, and extremely exciting game against Fronteir Regional. We went the whole route; tie game, double overtimes and finished with a stroke-off in the dark. The game ended 2-1 Fronteir. It was an exciting finish and an equally interesting season.

Weston's team was Co-Captained by Cindy Healey and Kaz Wilder.

A GREAT FINISH!

The Wildcats struggled through a 1-8-1 season with a team consisting mostly of juniors and sophomores, but we finished with a 14-12 triumph over our Thanksgiving rival Wayland. The seniors played an important role by maintaining the enthusiasm and desire that are needed during the season. Led by Co-Captain Rob Melone, the seniors were an example to the younger players that dedication and hard work lead to success. Dave Bumpus was selected as our outstanding defensive player. Rick DuBois was selected by the coaches as the most improved player. Co-Captain Rob Melone was selected as the unsung hero, earning the award for his dedication and solid offensive blocking. Seniors Jay Bellissimo, Vinnie Bono, Peter Choras, Paul Morrison and Bert Walker played vital roles on the team, demonstrating the ability to work hard for a common goal.

The momentum started by the seniors will continue next year, led by the juniors, including Co-Captain Rick Hall who was selected the Coca-Cola Player of the Week by the *Middlesex News* for his outstanding quarterback performance against Wayland on Thanksgiving. Go Wildcats in '82!

WESTON SOCCER RETURNS

The 1981 soccer season was a complete turnaround from last year. The team, co-captained by Bill McCabe and Frank Hamm, compiled a 9-5-2 record despite two forfeits which ended the hopes of participating in the state tournament. Leading scorer John Farina, and assist leader Mike McCabe, helped to power the Weston offense into their best season in years. First team D.C.L. All-Star performances by Bill McCabe, Gary Pan, John Farina and All-Eastern Mass. selection Frank Hamm along with Second Team D.C.L. performances by Will Wrean, goalie Mike Prescott and Eric Karchmer, were a large part of Weston's success. Special thanks must be given to Coach David Aptaker; without him, the season would not have been so rewarding.

SAVING THE BEST FOR LAST

The Girls' Varsity Soccer Team, lead by coach Peter Silverman, got off to a slow start, but they ended the season with a 4-9-1 record — with four out of their last six games being victories. Co-captains Jennifer Nichols and Wendy Welch led the team with enthusiasm and good sportsmanship. The Coaches Award went to Courtney McNeil. Most improved player was Donna Magnanti. The most valuable player was Cara Pollock. Wendy Welch earned the Tucky Gee Memorial Award and was also the leading scorer. We all hope that the team's end of the season will continue throughout the '82 season.

BOYS' BASKETBALL GETS DUNKED

The boys' varsity basketball team finished up with a record of two wins and fifteen losses. First year coach, Jim Porrell was impressed by the dedication, spirit, and desire of these fine young athletes as they truly know the meaning of what sports are all about. Their incomparable hustle and unwillingness to give up was a pleasure for the fans to watch. The team will miss seniors M.V.P. Steve Andrews, unsung hero Jay Allen, sportsman Will Wrean, as well as the talents of Butch Turner and the rest of the seniors: Carl Hyman, John Sangiolo, Burt Walker and Steve Crane. Coach Porrell will be looking for the talented juniors and sophomores and the return of Mike Morris (most improved), John Hersum, Jeff Cail (coaches award), John Doyle and sophomore Jack Cort to help Weston basketball challenge for the D.C.L. title.

UPS AND DOWNS

The Weston girls' basketball team struggled through a difficult season. The team's record was 0-15. Weston was hampered by its inexperience and the superior level of play in the Dual County League.

Despite its poor record many underclassman earned valuable playing experience and next year's squad should be vastly improved. Letter winners were Margaret Grace, Missy Pan, Lori Stubbs, Karen Allen, and seniors Karen Donahue and Rhona Gibson.

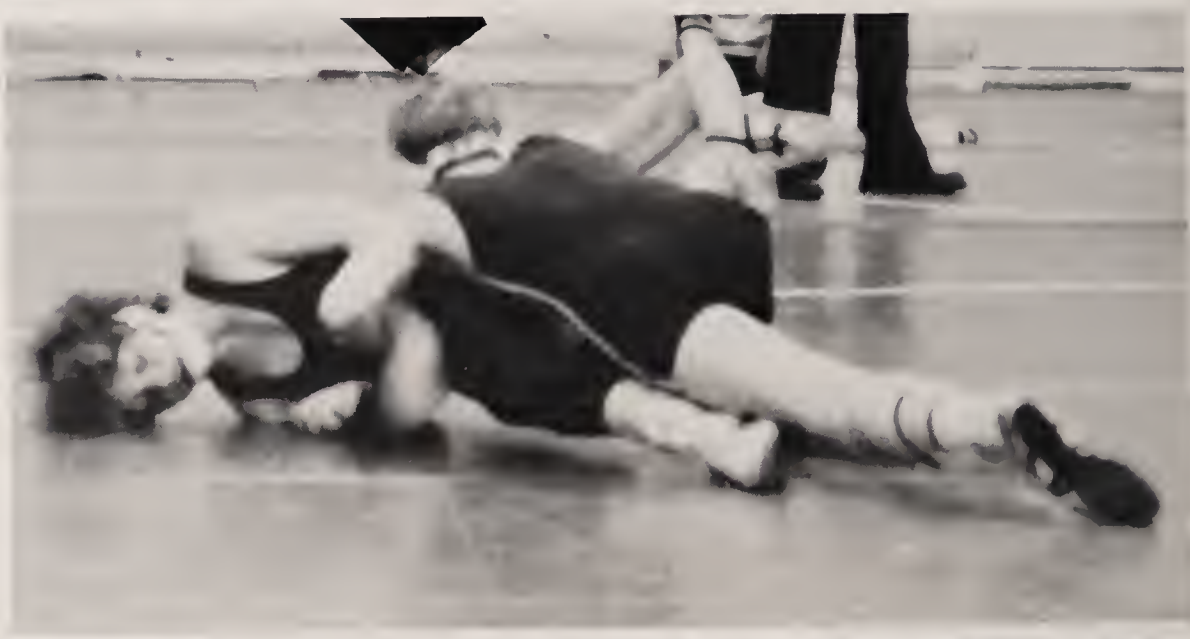
GRAPPLERS GRAB A .500 SEASON



The Weston High School Wrestling team wound up another 500 season with a record of 8 and 8, even though they suffered the loss of two key senior quad-captains — David Bumpus and Jimmy Richardson. Next year's team will be ripe with returning varsity wrestlers led by Junior quad-captains Steve Reny and Eric Karchmer. Coach David Baldanza sees such promise for his team next year that he has alsredy nicknamed them "The Hit Squad."

THE BLADE BRIGADE ICES IT

Weston's 1982 Hockey Team was competitive with almost every team they played, although their team record of one win, fifteen losses and two ties doesn't reflect this. It should be taken into consideration, moreover, that the team lost five games by only one goal and three others by only two goals.

Captain Jeff Perilli, in goal, did an outstanding job keeping the team in the games, making big saves when they were needed. Captain Jamie Ferrelli was an inspiration and leader on the ice with 28 goals and 19 assists, for a total of 47 points which made him the fourth leading scorer in the league. Captain Jay Bellissimo was the heart of the team. Totally dedicated, he gave every team member the desire to push themselves to the limit of their ability. The leagues third leading scorer, with 27 goals and 22 assists for 49 points, says it all. Senior Rick Noonan skated his heart out all year long and was sorely missed the last couple of games and might well have been the difference between a loss and a win.

HIGH STEPPIN'

THE RED TIDE SWEEPS AGAIN

The 1982 version of Weston's "Red Tide" swimming team swept through all Massachusetts competition enroute to a 15-1 season. In addition to winning their sixth consecutive Dual County League Championship the team won the M.I.A.A. North Sectional Meet for the third time in the last four years.

Pacing the efforts of the "Red Tide" were senior tri-captains Andy Robbins, Chris Mcdonald and Debbie Ewell. Classmates Peter Strumph, Ken Connolly, Sue Clabault, Becca Donham and Sue Goldstein were also consistent point scorers. Highlight of the season was a 112-57 win over defending state champion Springfield Cathedral.

At the conclusion of the season seven team members were named All-Scholastic by the Boston Globe: seniors Andy Robbins, Chris Mcdonald, Peter Strumph, juniors Jon Kohn, Tom Valle and Paul Ferri and sophomore Satish Lathi.

In addition, four other swimmers were named to the D.C.L. All-Star Squad: Sue Goldstein, John Strehle and sophomores Mike Delduchetto and Tony Baker. With eighteen lettermen headed by juniors Mike Kaneb, Andy Miltner and Christine Palmer returning next year, "The Red Tide" will be looking to extend their championship streak.
